Rustic land with construction feasibility in Porches

Set of 3 adjacent plots of land, with a total area of 61,920m2, in one of which it is possible to build 1,444.62 m2 of total construction area.
These plots are located in the center of Porches, close to all services.
In addition, the beaches of Armação de Pêra, the golf course and the International Nobel School are just a short drive away.
